**Short description:**

Cherechiu Municipality has organized a town twinning meeting on the 27th, 28th and 29th of July 2018. Participating twinned towns was Municipality of Cherechiu from Romania and Municipalities of Kokad, Kereki, Újfehértó, Felsotelekes, Ócsöd, Naszály and Szentgyörgyvölgy Község Önkormányzata from Hungary, DLHA VES from Slovakia, Municipality of Motvarjevci from Slovenia, a total of 255 participants, 190 are international guests. During this event it took place the official twinning of Cherechiu and Felsotelekes and Szentgyörgyvölgy Község Önkormányzata from Hungary. The project has contributed to general, specific objectives and priorities of the program. Each day has a theme related to an objective: "Past and future - A bridge for Europe", "Solidarity The Only Way for a United Europe" and "The future of Europe". The event encourages understanding and debating Euroscepticism by explaining the benefits of EU policies, acknowledging difficulties met and challenges ahead, as well as to put forward EU achievements and the cost of no Europe. All this has raised awareness of remembrance, common history and values and the Union's aim that is to promote peace, its values and the wellbeing of people. Also encourages development of networks, volunteering and solidarity for combating stigmatization of "immigrants" and building counter narratives to foster intercultural dialogue and mutual understanding all this related to debates on the Future of Europe. The purpose of this event was to stimulate debates, reflections, volunteering and development of networks and encourage democratic and civic participation of citizens at EU level. They were also actively involved in the development and implementation of EU policies and were encouraged to come up with new and exciting ideas on how to eliminate stigmatism, to increase solidarity and stimulate citizens to new forms of civic participation, also through voluntary actions encourage participants to involve in the future of EU.
